Fundraising Policy

In conjunction with the established financial policies, Good Shepherd Ministries supports fundraising activities for the benefit of its clients.

Persons and/or organizations who wish to sponsor major fund raising activities for Good Shepherd Ministries may do so with authorization from the Board of Directors.

Fundraising activities must be conducted in consideration of its mission, philosophy and client service principles. Fund raising goals must reflect client services.

Upon receipt, contributions must be appropriately recorded and acknowledged.

Contributions received must be directed to those services as requested by the donor.

Income from contributions must be reported to the Board of Directors at every scheduled Board meeting.

All benefactors of Good Shepherd Ministries will be included in the prayers and good works of the Province of the Good Shepherd in North America.
